TO RM OF MANITOU LAKE PRODUCERS:

In conjunction with SARM and the Canadian Agriculture Partnership, RM Producers are eligible to receive a 50% rebate as follows:

1. For all weeds designated as **Prohibited** Weeds under *The Weed Control Act*:
 - 50% of the cost of pre-approved eligible herbicides; and
 - 50% of the cost of application of those pre-approved herbicides.

2. For **Noxious** Weeds approved under the current program, Absinthe, Field Bindweed, Common Burdock, Bladder Campion, Ox-eye Daisy, Black Henbane, Hoary Cress, Hoary Alyssum, Leafy Spurge, Russian Knapweed, Yellow Toadflax, Common Tansy, and Wild Parsnip:
 - Up to 50% of the cost of the pre-approved eligible herbicides.

The specified Herbicides are as follows:

- | | | |
|---------------------|-------------------|------------------|
| ➤ Tordon 22K | Truvist | Grazon XC |
| ➤ Navius | Arsenal | Discamba |
| ➤ Escort | Esplanade | |
| ➤ Milestone | Clearview | |
| ➤ Aspect | Restore II | |

Detailed application records, as enclosed, and copies of your invoices for purchase of the approved herbicides and the application costs are required to be submitted to the RM. Application forms and further details are available on the RM Website, www.rmmanitou.ca or from the Office.

Please note that there have been some changes to the guidelines. For clarification, please contact the RM office.

The RM of Manitou Lake Council will provide an additional 25% rebate on the cost of chemical and 25% on the cost of application if you participate and are approved under Invasive Plant Control Program. Please have your required documentation in to the RM Office by October 15, 2019.

Sincerely,
RM of Manitou Lake No 442 Council
